

***ATS – Paws Series* for pet-friendly applications**

Smart solutions for your four-pawed friends

Our *ATS – Paws Series*, created with your pet in mind, is specifically designed and engineered for pets use.

ATS – Paws Series artificial turf grass is permeable, making it practically impossible to stain or discolor. Urine simply drains through and any feces can be removed easily. All without doing any harm to the artificial turf grass fibers.

You and your dog will find our *ATS – Paws Series* of artificial turf grass to be soft and enjoyable to run and play on. Your dogs will readily “do their business” outside just as if it were natural grass. Moreover, the luscious green artificial turf grass is available to them all year round offering a safe, clean and odor-free environment for you, your dog and your family to enjoy.
